

NOTES

- (a) To give a break to those who are doing their best, **AND** as an insurance against questions that some of you may have found problematic in some way, you were allowed to get a few questions wrong (see the % scores below).
- (b) If you did poorly, note: Some of you never did the homework at all! While others tried to do it at the last minute. Compared to your other classes, this is a super easy class. Moreover, the amount of work you are being assigned **PER WEEK** in this 4 credit hour class is relatively little; but if you wait to do it until the last minute you will find that it is too much. You will be overwhelmed!
- (c) Missing scores means Blackboard is reporting you didn't take the test. (I hope you are O.K.)
- (d) Please note that incompletes will **NOT** be given in this course. (See the syllabus.)
- (e) If you got more than a 100 percentage points on a test, the extra points will be counted when averaging the score for all tests at the end of the semester. To calculate your final course grade use the formula on the preceding page.

Letter Grade to Percentage Points A =97-100 A- =93-96 B+ =90-92 B =85-89 B- =80-84 C+ =73-79 C =66-72 C- =60-65 D+ =55-59 D =51-54 F =0-50
